EXPERIENCE

Hogeschool Rotterdam - Student Tutor & Peer Coach

SEPT 2017 - Current job

Teaching students the basics of Photoshop, Indesign, Arduino and HTML & CSS. Giving presentations and hosting events at open days.

Design Buddies - Community Lead (Volunteer)

APR 2021 - Current job

Overseeing day-to-day operations as a member of the Admin Team at Design Buddies - a fast-growing, inclusive community of 20,000+

Mirabeau / Cognizant, Amsterdam - CX Design (Graduation Project)

SEPT 2020 - APR 2021

At Cognizant I designed a Smart Office System to make collaborating in times of COVID-19 safer and more engaging.

Wubbe, Delft — Front End development (Internship)

SEPT 2018 - FEB 2019

Working on the front-end of Wubbes new website, using HTML, CCS and JavaScript.

Reclame Kanjers — DTP (Internship)

SEPT 2015 - MARCH 2016

Here I learned a lot more about Graphic Design. I designed Logos, Flyers & Car Signage.

STUDY

Hogeschool Rotterdam — HBO Communicatie & Multimedia design

SEPT 2016 - 2021

Design of interactive multimedia products. From apps to smart cars, anything digital. I especially specialize product utility.

Grafisch Lyceum, Rotterdam — Signspecialist MBO N4

SEPT 2013 - JULI 2016

Signage production. Here I've first made contact with Illustrator and Indesign.

Albeda, Schiedam — MBO ICT N2 system administration

SEPT 2011 - 2013

I learned to work with hardware. Building computers and troubleshooting problems.

MINOR

Design for Innovation — HBO Communicatie & Multimedia design

SEPT 2019 - JAN 2020

I learned how to think of products that are radically innovative, applying design thinking.
